## Lower North Island Synod invites you to attend

### What is a zine?

A ZINE is a very cool 21<sup>st</sup> century publication genre. A whole under-50's subculture exists in Aotearoa with annual Zine Fests in cities and libraries. This is potentially a brilliant contemporary means of communicating everyday theology. Zines can be made by and for: pre-schoolers, children's church programmes, youth groups and beyond... They are cheap, accessible and can take many forms.

### Hopes for workshop members

That you will be:

- Delighted and intrigued
- Open to new ways of thinking about doing theology

Be able to take away at least one inspiring idea, technique or process with creative potential to enhance your approach to theology and life

### Potential Zine Audiences

From this workshop, distribution could be family, friends, churches, congregations, specific themed worship services, children's church and Youth programmes, rest homes, charity shops, Libraries, and beyond – even a ZINE FESTIVAL!!!

### DCM

Winter is here, and this is often a time we can become anxious about those we encounter in Wellington doing it tough. You might have noticed a structure set up in the bush that might belong to someone sleeping rough. You might have seen a car parked on your street for days at a time with the windows covered. Or you might be concerned about someone you have met street begging in the cold conditions.

Not sure what to do? Call Wellington City Council on 04 499 4444 - and they will notify us. DCM's Outreach workers will go out to connect with those you are concerned about. Because TOGETHER we can end homelessness in Wellington. We all deserve a roof over our heads
