### **DCM Walk a Mile Challenge Let's make big strides together!**

Every day, hundreds of individuals in the Wellington region face the harsh realities of homelessness; with no shelter, food, or hope. That's where DCM steps in – building trust, offering a place to be together, providing essential medical services and other help, securing homes, and ensuring a smooth transition to stability.

But we can't do it alone. We need funds to keep our essential services running.

And so, we're excited to announce a new fundraising initiative: The Walk a Mile Challenge

### ***About the fundraiser***

The Walk a Mile Challenge encourages participants to walk a mile each day for 30 days in a pair of old shoes. Like a sponsored walk, but everyday distances rather than one big hike.

You can walk anywhere and anytime that suits. The challenge is designed to be flexible and inclusive, including walking to work, to school, walking the dog, or even just to your favourite lunch spot. And 1 mile is just 800m there and back.

If you have any questions at all, please feel free to contact DCM's Kaimahi Pūrongo, Nigel Parry – [nigel@dcm.org.nz](mailto:nigel@dcm.org.nz)  
Please join us so that together we can end homelessness.
