Drama Christi presents "Julia Caesar; a Shakespeare production by DC" **Advance Notice**

Liberty, honour and enfranchisement, the values of New Rome. But can there be room in this autonomous community for...ambition?

The honourable, noble, calculating and divine must wrangle with their passions and their neighbours in this tragic and dangerous battle for New Rome's future.

Drama Christi presents Shakespeare's classic drama, where right and wrong are balanced on the edge of a knife.

What is a zine?

A ZINE is a very cool 21st century publication genre. A whole under-50's subculture exists in Aotearoa with annual Zine Fests in cities and libraries. This is potentially a brilliant contemporary means of communicating everyday theology. Zines can be made by and for: pre-schoolers, children's church programmes, youth groups and beyond... They are cheap, accessible and can take many forms.

The Inter Church Bioethics Council will celebrate 21 years of service by hosting a Public Lecture by Prof. Jonathan Boston at St Paul's Anglican Cathedral in Wellington on Friday 6 October 2023 from 5-30 to 7pm.

5-30pm Drinks and nibbles

6-00pm "Keeping Hope Alive in Challenging Times: Confronting the Climate Crisis"

6-45pm Questions and Answers

Jonathan Boston ONZM is Emeritus Professor of Public Policy Wellington School of Business and Government (Ōrauāriki Te Herenga Waka, Victoria University of Wellington). His research interests are climate change policy (both mitigation and adaptation), child poverty (co-chair of the Expert Advisory Group on Solutions to Child Poverty), governance, public management, tertiary education funding and welfare state design.
